Subject: SUPEVISORY INSPECTION OF 145 WEST 5TTH STREET ON TUESDAY MARCH 27, 2007.

1. On Tuesday March 27, 2007, at approximately 1350 hours, I was present at 145 West 57<sup>th</sup> Street in order to conduct a supervisory inspection of the site.

2. Upon my arrival, S/O Daryl Grier was present and performing his duties at the lobby security station. At approximately 1400 hours, S/O Grier received a telephone call from S/O Greg Belfied who was scheduled to be present at the site for a 1400 to 2300 tour of duty. S/O Belfied informed S/O Grier that he would be approximately 20 minutes late.

3. At approximately 1435 hours, S/O Belfied arrived at the building and called on duty to the OGSSI office. He then proceeded to go to the first floor locker room and changed in to his uniform. He returned to the security desk and was ready to assume his duties at 1445 hours.

4. S/O Belfied and S/O Grier were presented with copies of the OGSSI Rules and Regulations booklet and they both signed for the copies they received. S/O Belfied was further reinstructed as to proper procedures regarding lateness and for being prepared and in proper uniform at the start of his tour.

1. On Monday March 26, 2007, at approximately 1530 hours, I received a telephone call from Mr. Mark Beroni the Superintendent at 145 West 57<sup>th</sup> Street, who informed me that he, observed the Lobby Security Desk was unmanned from approximately 1515 hours to 1530 hours.

2. At approximately 1315 hours, I received a telephone call from the day tour S/O, Mr. Daryl Grier, who informed me that he had just received a telephone call from S/O Greg Belfield who was scheduled to work a 1400 to 2300 shift at the site. Mr. Grier informed me that S/O Belfield advised him that he would be late and would not arrive at the site until after 1400 hours. I advised Mr. Grier to make a written entry in the site security log book and to notify the On Guard Security Services office when S/O Belfield arrived.

3. S/O Daryl Grier called me at approximately 1515 hours to advise me that S/O Belfield had arrived at the location and had relieved him. S/O Grier signed off duty and left the building. S/O Belfield took over the post and called the OGSSI office to state that he was present for duty.

4 At approximately 1515 hours, S/O Belfield left the Security desk, unmanned, and went to a locker room area on one of the upper floors in order to change in to his uniform. ## MISSION STATEMENT

The purpose of the Employee/Security Officer is not simply to be a physical presence. The Employee/Security Officer must maintain an awareness of what is occurring at all times. If a Employee/Security Officer is engaged in unnecessary conversation, it is possible that the security protection is compromised which may endanger tenants, their visitors or the premises. We must remain mindful that Employee/Security Officers are in constant view of the public including tenants, visitors and building management that have elected to employ our services.

The Employee/Security Officer who appears and acts as a professional will be received with a positive attitude by his/her peers, tenants, and the management. A professional Employee/Security Officer should be pro-active not re-active in responding to the needs of any client. There are many security companies and what sets us apart is the level of service we provide.
